

Skip Wilkins Solo

Live in Concert at Lafayette College

Pianist/composer Skip Wilkins is featured on **Skip Wilkins Solo**, his third Dreambox Media Release (DMJ-1109). Recorded live in concert at Lafayette College in Easton, Pennsylvania, Wilkins presents a program of his own compositions as well as pieces by Hoagy Carmichael, George Gershwin, Miles Davis, Thelonious Monk, and others. Critics have praised Wilkins' range--"Wilkins goes from soulful, gut-bucket mode to rich ballads to angular modern jazz..." (*Philadelphia Inquirer*), his technique--"Wilkins has some of the best hands/fingers you've ever heard on a keyboard" (*Improvijazzation*), and his reach--"Wilkins is an inventive, subtle pianist...[his] music has an edge; he's searching for, and more often than not finding, his own voice, which is really what jazz is all about..." (*Allentown Morning Call*).
